# The results are in...

There were 16 panel members, an idea needs 12 votes for consensus

Should specific staff across the University be trained in mental health first Aid?

For: 15

Against: 1

The Idea *passes*, and will be policy

Should the University have a comprehensive review of Mental Health Services, with a commitment for significant investment in the Counseling Service, and improving students' experiences with mental health services?

For: 16

Against: 0

The Idea *passes*, and will be policy

Should LUU adopt a policy of Free Education and lobby the government to this effect?

For: 13

Against: 3

The Idea *passes*, and will be policy
